To equip and resource the program ministry areas to successfully implement effective ministry and mission.	To invite, welcome, receive and care for guests and to cultivate a sense of belonging for members.	To seek encounters with God in Christ and to cultivate relationships that lead people into an authentic relationship with God.	To develop disciples of Jesus Christ by fostering ministries of spiritual development and maturity.	To implement ministries that make a positive difference in the lives of people, whether or not they will ever be a part of the community of faith.	To develop practices of sharing and giving that exceeds all expectations through generous sharing of our resources including time, talent, gifts, and services.
